SOUTH BEND
Hebrew Day School

ANNUAL AD BOOK
2026

CORPORATE
ADVERTISERS

Our SBHDS facility

for our growing student body... a former public school
with 30 spacious classrooms, a full-size gym, a separate
cafeteria, two outdoor playgrounds, and plenty of outdoor space.

בס״ד

Welcome

To all of our members, friends and supporters, we say “Welcome” to the **South Bend Hebrew Day School.**

52 years striving to achieve Excellence in education

The South Bend Hebrew Day School opened its doors in 1974 with just 13 students and a commitment to excellence in education – Jewish and secular.

Today the school serves over 200 students in pre-kindergarten through 8th grades, and can boast of an outstanding educational program. Graduates of the South Bend Hebrew Day School can continue their education in South Bend; high school boys at the Yeshiva Gedola of South Bend and girls at Bais Yaakov of South Bend.

The South Bend Hebrew Day School uniquely integrates the ongoing religious heritage of more than 3,000 years of Jewish faith with living and participating in contemporary American society. In General Studies, our students’ average scores exceed national averages in all areas. In Hebrew Studies, our students are performing at or above the academic level of day school students from the finest programs in major Jewish population centers.

The success of the South Bend Hebrew Day School is a product of partnership. Students, faculty, parents, friends and the community working together, and support from our many donors. May we continue to enjoy each others cooperation and support, and may we see our dreams and goals realized for our children… for they are the future of our people, our country, of all mankind.

SOUTH BEND

Hebrew Day School

We are honored to be recognized as a ** FOUR STAR SCHOOL ** by the Indiana Department of Education. This achievement of excellence comes from earning a grade "A" from the Indiana Department of Education, a status we have held for the past 19 years.

Our approach to teaching and learning has been successful for many years. South Bend Hebrew Day School's success is made possible by creating a learning environment that fosters the social and academic growth of all students. Individual student growth is highly valued, and great efforts are made to set and achieve attainable learning goals for all students. Our teachers regularly re-assess students throughout the year to ensure an optimal learning plan for each student and to provide differentiated instruction, as well as differentiated assessment, within the classroom. Varying methodologies and research-proven best practices are used to accommodate a diverse group of learners.

Student excitement of discovery begins with our teachers -- who are knowledgeable in their fields and express a genuine passion for their subjects. Teachers' lessons are aligned with the Indiana Academic Standards and incorporate engaging, hands-on, and collaborative learning opportunities for students, allowing students to make real-world connections with learning.

In Memory of our Ad Book assistant

Diane S. Sandock

September 9, 1950 - December 15, 2019

For many decades Diane Sandock, a"h, was a loyal and diligent worker behind the scenes, assisting in many ways with dedication in preparing for the annual campaign, during the campaign, and afterword. Without Diane, things would have been much more difficult. She is sorely missed. May she rest in peace.

South Bend Hebrew Day School says:

Great expectations.

Steel Dynamics manufactures the wide variety of flat-rolled products that Steel Warehouse customers expect for their critical applications. In fact, our ability to make the lightest-gauge hot-rolled products in the nation has helped Steel Warehouse cultivate new markets. As SDI continues to create new value-added products, we look forward to expanding our long and prosperous relationship with Steel Warehouse and its affiliated companies. Together, we can expect the best.

DOES HE LIVE IN YOU? CALL (234-7773) KEITH

Gen 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the spirit of God moved upon the face of the waters.

Gen 12:2 The Lord said unto Abram; I will make of thee a great nation, and I will bless thee, and make thy name great; and though shalt be a blessing.

Gen 15:5-6 Now Jehovah brought forth Abram aboard and said, look now toward heaven, and count the stars, if thou be able to number them; and he said unto him, so shall thy seed be. And Abram believed in the Lord; and he counted it to him for righteousness.

Gen 22:2 Jevohah told Abraham to take now thy son, thine only son Issac, whom thou lovest, and get thee into the land of Moriah and offer him there for a burnt offering upon one of the mountains which I will tell thee of.

Gen 22:12 The Lord called unto Abraham and said: Lay not thine hand upon the lad, neither do thou anything unto him; for now I know thou fearest God, seeing thou hast not withheld thy son, thine only son from me.

Gen 22:18 God's covenant unto Abraham. In thy seed shall the Nations be blessed, because thou hast obeyed my voice.

Deut 7:7-8 The Lord did not sell his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people. But because the Lord loved you, and because he would keep the oath which he had sworn unto your fathers, hath the Lord bought you out with a mighty hand, and redeemed you out of the house of bondage from the hand of Pharoah, King of Egypt.

Isa 42:6 I, the Lord have called thee in righteousness, and will hold thine hand, and will keep thee, and give thee for a covenant of the people, for a light of the nations.

Isa 60:1 Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee.

Isa 24:5-6 The earth is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. Therefore hath the curse devoured the earth, and they that dwell therin are desolate; therefore, the inhabitants of the earth are burned, and few men left.

Ezra 9:8 And now for a little moment grace hath been shown from the Lord, our God, to leave us a remnant to escape, and to give us a nail in his holy place, that our God may lighten our eyes and give us a little reviving in our bondage.

Psalms 51:11 Cast me not away from thy presence, and take not thy holy spirit from me.

Isa 64:6 But we are all as an unclean thing, and all our righteousness are as filthy rags; and we all do fade as a leaf, and our iniquities, like the wind, have taken us away.

Jer 31:33 But this shall be the covenant that I will make with the house of Israel. After those days, saith the Lord, I will put my laws in their inward parts, and write it in their hearts, and will be their God, and they shall be my people.

Duet 10:16 Circumcise, therefore, the foreskin of your heart, and be no more stiff-necked.

Isam 16:7 The Lord said unto Samuel, look not on his countenance, or on the height of his stature, because I have refused him; for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart.

Isa 55:8-9 For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher then your ways and my thoughts than your thoughts.

Deut 4:29 The Lord says, thou shalt seek the Lord thy God, thou shalt find him, if thou seek him with all thy heart and with all thy soul.

Isa 9:6 For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, counselor, the mighty God, the everlasting Father, The Prince of Peace.

Isa 53:7 He was oppressed, and he was affilicted, yet he opened not his mouth; he is brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he openeth not his mouth.

Zech 14:9 And the Lord shall be King over all the earth; in that day shall there be one Lord, and his name one.

PATRON

EMS
ENGINEERED MECHANICAL SYSTEMS

VERSATILITY ▸ INNOVATION ▸ EXCELLENCE

WE DO IT RIGHT THE FIRST TIME, ON TIME, EVERY TIME

Engineered Mechanical Systems was founded in 1990 in response to the need by other manufacturers to have quality parts and equipment processed and delivered (JIT) with increased efficiency and accuracy.

Our 82,000 sq. ft. facility contains various types of specialty equipment and technology ensuring each customer's unique needs and service goals are met making EMS a **ONE-STOP** shop. CNC machining, large machining, laser cutting, precision forming, robotic welding, and custom fabrication including design-build, prototyping, and assembly are offered by the company. Solidworks Modeling using Zeiss and 3-D scanning Faro Arm technology allows for reverse part engineering and inspection.
